

Dear Friends of Public School Children,

The North Carolina Foundation for Public School Children is a 501(c)3 non-profit whose mission is to provide services and items to school children that they need to do well in school and when no other resources are available. Every day we pay for items such as eyeglasses, hearing aids, leg braces, medical services, medication, and more. We respond to needs in a matter of days so the child can be in school and focus on learning. You can learn more at NCFPSC.org.

As part of our annual Champions for Children Gala, we are holding a silent auction on April 28, 2023, at the Angus Barn Pavilion. Will you please consider supporting our foundation through a tax- deductible donation? Donation suggestions are new merchandise, a gift basket, or a *gift card/certificate to your business

A form for auction donations is attached. Simply complete, then call or email us, and we will coordinate pick up or delivery.

We graciously appreciate your consideration.

Respectfully yours,

Marca Hamm, Executive Director
